Technical Volunteer (Lighting, Sound & Events)

Title: Technical Volunteer – Lighting & Sound for Live Events

About us:
Wiveliscombe Town Hall is being developed as a local venue for theatre, cinema, music and performance.

The role:
Support the technical delivery of events, helping with lighting, sound and basic stage setup.

What you'll do:

- Assist with lighting and sound during events
- Help set up and pack down equipment
- Work with performers and event organisers
- Support smooth running of shows

What we're looking for:

- Interest in live events, theatre or music
- Willingness to learn (experience is a bonus, not essential)
- Practical, hands-on approach
- Reliability, especially for event times

What you'll gain:

- Hands-on technical experience in live events
- Training and learning opportunities
- A front-row role in bringing performances to life

Time commitment:
Mainly evenings and event-based

Our commitment:
We are committed to building a diverse and inclusive organisation that reflects the communities we serve. We welcome applications from people of all backgrounds.

Interested?
We'd be happy to arrange an informal conversation.
